Memo

TO : Michael Conrad  
From : Virgil Strohmeyer  
Re : Friday film viewing

The Friday films have been a part of the AUA schedule for almost two years now.

The attendance has averaged around 100 persons per film and the majority of these are AUA students.

The proposed schedule is attached, and if there is a conflict, we can perhaps move the film to 5:30 or 6:00 as the spring and summer will have longer daylight.

cc. Michael Kouchakdjian
