Gentlemen:

Thank you for your letter of May 30, 1989 and the enclosed letter to prospective American sponsors of a proposed Technical University in the Leninakan region. We are very pleased to know that there is great interest to establish a Technical University in Northern Armenia based on the American system of scientific and technical education.

The proposed concept of the Technical University meets our hopes and plans to establish an institution that will prepare our future scientists and engineers on the precepts of an educational system that has a proven record for preparing technical leaders. We are confident that the plan you are proposing will establish an excellent of learning and research.

We endorse and support the proposed concept, and we assure you that we will cooperate with you fully to make this project a reality. We have already met with one of you, with Professor Agbabian, and we have a complete understanding between us on methods and procedures to execute this project.

We are thankful to you for proposing the establishment of this Technical University, and we are grateful to the American sponsors for their dedication to the education of the youth of Armenia.

Sincerely yours

 S. Akhumian

Minister of Public
Education of Armenian SSR
