Dear ^F2^:

We have been unable to make a decision on your application for admission into the Master of Business Administration program in Business Management at the American University of Armenia. We therefore ask that you make an appointment for an interview with Dean Karamardian, who will be in Yerevan between September 16 and 26.

The application review process involved careful consideration of the academic background and preparation of each applicant as well as scores from the English screening examination of August 10. Some questions remain concerning your background that Dean Karamardian will discuss with you at the time of your interview.

We greatly appreciate your interest in the American University of Armenia and wish you success in your future endeavors.

Sincerely,

Theony Condos  
Director of Admissions

Stepan Karamardian
