^F1^

Dear ^F2^:

We regret to inform you that we are unable to offer you admission into the Master of Business Administration program in Business Management at the American University of Armenia. The application review process involved careful consideration of the academic background and preparation of each applicant as well as scores from the English screening examination of August 10. Unfortunately, your background was not in one of the fields cited as appropriate (e.g., mathematics, economics, engineering) for applicants to the Business Management program. If you wish to consider the possibility of completing courses in these fields with a view to reapplying to AUA, we encourage you to make an appointment to speak with Dean Karamardian, who will be in Yerevan between September 16 and 26.

Our selection was made difficult by the large number of competitive applications. We regret that yours was not among those selected for admission.

We greatly appreciate your interest in the American University of Armenia and wish you success in your future endeavors.

Sincerely,

Theony Condos  
Director of Admissions

Stepan Karamardian  
Dean, College of  
Business Management
