

**AMERICAN UNIVERSITY OF ARMENIA**  
College of Engineering

**MEMORANDUM**

TO: George H. Gibson  
 FROM: Armen Der Kiureghian *Armen*  
 RE: Engineering Program for Summer Quarter  
 DATE: May 6, 1993

Below is the engineering program for the summer quarter as of today. I do not anticipate changes, but you never know.

course (units)	instructor (title)	instruction dates		minutes per week
		start	end	
<b>First-Year Industrial Engineering Students</b>				
IE211 - Engineering Statistics (4)	H. Lalehzarian (VAP)	5/31	8/6	200
IE215 - Engineering Economics (4)	R. Bernhard (VP)	5/31	8/6	200
IE230 - Linear Programming (4)	R. Bernhard (VP)	5/31	8/6	200
IE298 - Engineering Seminar (1)	-	-	-	-
<b>Second-Year Industrial Engineering Students</b>				
IE255 - Work Methods & Measurement (4)	H. Lalehzarian (VAP)	5/31	8/6	200
IE270 - Quality Assurance & Management (4)	R. Ahluwalia (VP)	6/7	7/30	250
IE290 - Concurrent Engineering (4)	R. Ahluwalia (VP)	6/7	7/30	250
IE298 - Engineering Seminar (1)	-	-	-	-
IE299 - Individual Study (4)	Staff	5/31	8/6	-
<b>First-Year Earthquake Engineering Students</b>				
EE220 - Theory of Structures (4)	M. Kaldjian (VP)	5/31	8/6	200
EE223 - Comp. Meth. of Struct. Analysis (4)	M. Kaldjian (VP)	5/31	8/6	200
EE230 - Structural Mechanics (4)	A. Arabyan (VAP)	5/31	8/6	200
EE250 - Soil Mechanics & Foundation Eng. (4)	R. Woods (VP)	5/31	8/6	200
EE298 - Engineering Seminar (1)	-	-	-	-
<b>Second-Year Earthquake Engineering Students</b>				
EE226 - Random Vibrations (4)	A. Der Kiureghian (D)	5/31	6/23	400
		7/26	8/4	
EE255 - Soil Dynamics (4)	R. Woods (VP)	5/31	8/6	200
EE260 - Earthquake Engineering Analysis (4)	F. Tajirian (VL)	7/5	8/6	400
EE298 - Engineering Seminar (1)	-	-	-	-
EE299 - Individual Study (4)	Staff	5/31	8/6	-

Notes:

- All courses except 298's and 299's have four units and should meet for a total of 2000 minutes of class hour during the quarter. This time is exclusive of the time spent for the final examination. 298 and 299 courses should be taken on S/U basis.
- Professor Ahluwalia will be teaching over an 8-week period, Dr. Tajirian will be teaching over a 5-week period, and I will be teaching over a 5-week period in two segments. (I will have to be back in the States during June 28 - July 21 period). Their weekly class times are, therefore,

G.H. Gibson

- 2 -

May 6, 1993

properly adjusted.

3. The final examination for each course should be held during the week following the last day of instruction.
4. Title abbreviations are: VAP=Visiting Associate Professor, VP=Visiting Professor, VL=Visiting Lecturer, D=Dean
