*Dear Ms Hamarian*

I write briefly to thank you for making it possible for the senior British civil servants present in this country for the Opening of the above Hospital, to have a discussion meeting with interested decision-takers in the forum of your University. It was extremely helpful to have the translation and convention facilities you kindly placed at our disposal through the Moderator of the day's deliberations Dr Gerard Libaridian.

I am sure that you and Mihran will be delighted to know that some useful seeds have been planted following the discussions at the University.

When he is next in Yerevan, please do pass on my thanks and good wishes to Dr Agbabian.

With all ~~my~~ good wishes to you for your continuing success in the work of the University *from Diana & me*

*Sincerely*  
*George Kurkjian*
